The Durable Solutions framework, adapted from the IASC Framework on Durable Solutions for Internally Displaced Persons, has been developed by the Regional Durable Solutions Secretariat (ReDSS) using 30 indicators organised around physical, material and legal safety to measure durable solutions achievements in a particular context. The framework analysis serves as an evidence base to enable relevant stakeholders to work more effectively and consistently in the search and realization of durable solutions. This infographic offers a snapshot in time to assess to what extent local integration for refugees in Uganda have been achieved.
