AGENDA

Durable Solutions regional programme learning workshop

26-27 June 2019 I Nairobi I Radisson Park inn, Westlands

DAY 1 - Wednesday 26th June

8.30- 9.00: Welcome and introduction

9.00-9.15: Setting the scene: *Key trends on durable solutions programming in the Horn of Africa*
Aude Galli, ReDSS

9.15-10.30: Panel discussion: Social cohesion and area based planning in durable solutions programming

Panel discussion with 4 speakers with 7-8 min per panelist to present key issues and recommendations followed by 45 min plenary discussion.
Moderator: *Aude Galli, ReDSS*

- **Addressing social cohesion in displacement programming**
  Jo de Berry, World Bank

- **Integrating conflict analyses in durable solutions programming**
  Pilly Omara, DDG

- **Area based planning in urban contexts**
  Mayor Abdullahi Watiin, Baidoa Municipality

- **Protecting people while enhancing development and government led processes**
  Richard Nunn, OXFAM

10.30- 11.00: Knowledge fair/ Tea break

11.00-12.30: Breakout sessions
Participants will choose a break out session. Each session will identify a rapporteur and have 3-4 speakers who will each have 8 mins to present their programming/evidence. Participants will then discuss the overall question for their group and come up with maximum 4 takeaways to be presented during plenary.

Government engagement and capacity development: *how can actors best support authorities to lead and coordinate durable solutions processes? (Turkana Room)*

Moderator: *Cate Osborn, ReDSS*

- **Going beyond capacity development and secondment to national and local authorities to understanding partnership and institutional building**
  Solomon Hassen, NCO Ethiopia

- **Learning from BRA in setting up the Durable Solution Unit**
  Dr. Hodan Ali, Benadir Regional Administration (BRA)

- **IGAD's role in convening member states on durable solution**
  Mohamed Omar, IGAD

Community engagement and social accountability: *how to ensure durable solutions programmes are informed by displacement-affected communities' views and priorities? (Nakuru room)*

Moderator: Salma Abdillahi, ReDSS

- **Working with local actors and communities to ensure ownership and local relevance in Ethiopia**
  Mohammed Abdikadir, OWDA Ethiopia

- **How to improve targeting for displacement affected communities? Lessons learnt from EIDACS incubators approach in Somalia**
  Beatriz Valbuena, EIDACS Consortium Somalia

- **Engaging communities through crowdfunding platforms in Somalia**
  Mohamed Mohaud Hussein, DRC Somalia

- **Using technology to support social accountability in urban displacement contexts**
  Khadija Mohamed, Africa's Voices Foundation

Integrated access to services and access to education: *what steps are needed to design an integrated programme and what can we learn from different contexts? (Naivasha room)*

Moderator: Patience Kiara, ReDSS

- **How to support an inclusive education system for both refugees and host communities?**
  Saara Vuorensola Barnes, LWF Kenya

- **Integrated access to services as a step towards local integration in Uganda**
  Lilian Obole, CEFORD Uganda

- **Investing in sustainable (re)integration in areas of return in Somalia**
  Mohamud Abdi Noor, INTERSOS

12.30- 1.15: Plenary

Rapporteurs will have 5 mins to feedback on what the group has learned, what was new to them and 3-4 key takeaways followed by plenary discussion.

1.15-2.15: Lunch

2.15-3.30: Breakout sessions

Early solutions and preparedness: *how to manage displaced influx while supporting long-term durable solutions programming? (Turkana room)*

Moderator: Jason Bell, ReDSS

- **Early solutions planning in urban contexts to manage drought-induced displacement**
  Rufus Karanja, ReDSS

- **How to ensure complementarity and synergies between resilience and durable solutions programming?**
  Martjin Goddeeris, BRCiS

- **How to address humanitarian and protection needs of new arrivals while addressing social and economic vulnerabilities of the protracted refugee caseload in Kyaka, Uganda?**
  Peter Ogandi, EUTF- DRC Uganda

- **Monitor cross border trends and dynamics to inform early solutions country planning**
  Nicoletta Buono, BORESHA

Area based and settlement planning: *how to support approaches that define an area rather than a sector or target group as the main entry point? (Nakuru room)*

Moderator: Aude Galli, ReDSS

- **Shaping multi-scale interventions (i.e. household, community, city, district and state levels) and contributing to locally led plans in Somalia**
  Ben Mbaura, MIDNIMO programme

- **Combining area and population-based approaches to address displacement**
  Margharita Lundkvist-Houndoumadi, JIPS

- **Adapting to the needs of displaced populations in informal settlements in Kenya**
  Elizabeth Mukami, IRC Kenya

- **Integrated settlement planning**
  Lugard Ogaro, Durable Solution Program (DSP) Somalia

Housing, land and property (HLP) and access to justice: *how to transition from shelter towards housing, land and property for displacement affected communities and ensure access to justice? (Naivasha room)*

Moderator: Patience Kiara, ReDSS

- **How do municipalities address urban displacement: case study from Mogadishu**
  Dr. Hodan Ali, Benadir Regional Administration (BRA)

- **Transitioning from shelter towards housing and addressing forced evictions**
  Evelyn Aero, NRC

- **Land, conflict and inclusion: how to manage and prevent land-related conflict while addressing inclusion of displacement affected communities**
  Ombretta Tempra, UNHABITAT

3.30-4.30: Break-out feedback to plenary

Rapporteurs will have 5 mins to feedback on what the group has learned, what was new to them and 3-4 key takeaways followed by plenary discussion.

4.30-5.00: Evaluation of day 1 and take away

DAY 2: Thursday 27th June

8.30- 9.00: Recap from day 1 and objective setting for day 2
Aude Galli, ReDSS

9.15- 10.30: Panel discussion: Economic opportunities and inclusion- transitioning from humanitarian livelihoods towards economic inclusion and self-reliance for displacement affected communities

Panel discussion with 4 speakers with 7-8 min per panelist to present key issues and recommendations followed by 45 min plenary discussion.

Moderator: Laura Buffoni, UNHCR

- **Advancing the financial inclusion of displacement affected communities**
  Patrice Kiiru, Diaspora Banking & Remittances Equity Bank Group

- **Supporting resilient labor markets to drive inclusive economic growth and decent work**
  Caroline Njuki, International Labor Organization

Durable solutions and social protection: *how to link durable solutions programming to social protection policies and mechanisms? (Nakuru room)*

Moderator: Aude Galli, ReDSS

- **Understanding and addressing Gender Based Violence in Kenya Development Response to Displacement Impacts Project (KDRDIP)**
  Lisa Schmidt, World Bank Kenya

- **How to link durable solutions programming to national social protection policy in Somalia?**
  Herve Nicolle, Samuel Hall

- **Integration of refugees into national social protection schemes**
  Laura Buffoni, UNHCR

Collective outcomes, programming principles and the use of ReDSS Solutions framework in Somalia: *how to contribute to common outcomes and measure progress towards (re)integration? (Naivasha room)*

Moderator: Rufus, Karanja, ReDSS

- **Joint planning and collective outcomes in the search for durable solutions**
  Teresa Del Ministro, Somali Resident Coordinator Office

- **Lessons learnt on operationalizing the ReDSS framework in EU REINTEG**
  Wan Suen, Somaliland Durable Solutions Consortium- REINTEG programme

- **Measuring collective progress towards local (re)integration**
  Laura Bennison, Danwadaag Durable Solutions Consortium Somalia

12.30- 1.15: Break-out feedback to plenary

Rapporteurs will have 5 mins to feedback on what the group has learned, what was new to them and 3-4 key takeaways followed by plenary discussion.

1.15-2.15: Lunch

2.15-3.30: Break-out sessions

Use of research and evidence to inform policy processes: how ReDSS evidence is being used to inform policy processes? Challenges, opportunities and what to improve *(Turkana room)*

Moderator: Khairunissa Dhala, Open Society Foundation

- **Does evidence drive policy? What works and what gets in the way in a highly political environment to address displacement and durable solutions**
  Victor Nyamori, Amnesty International

- **How to challenge our narrative to stimulate forward thinking: case study from Daadab**
  Patience Kiara, ReDSS

- **How to better connect research and policy processes? Case study from CRRF in Ethiopia**
  Alemu Asfaw, Bahir Dar University

- **Connecting local to global: how to ensure that evidence from East Africa is used to inform global policy processes and to leave no one behind?**
  Tine Jacobsen, DRC

Use of evidence and analysis to inform programming: *how are we using analysis and evidence to inform programming and how to monitor adaptive management? (Naivasha room)*

Moderator: Aude Galli, ReDSS

- **Accountability on progress towards results and learning: "did we do the right thing?" rather than "did we do what we said we would do?"**
  DFID (TBC)

- **ReDSS as a learning partner across consortia to use evidence to adapt programming**
  Rufus Karanja, ReDSS

- **Adaptive management approaches to durable solutions programming**
  Ummkalthum Dubow, Durable solutions programme Somalia

3.30-4.00: Report back to plenary

4.00- 4.45: Preparations for the Global Refugee Forum (GRF) and upcoming events (UNHCR&ReDSS)

4.45- 5.30: Key take-away and workshop evaluation
